

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

I can't afford cable. The public airwaves are all that I have access to.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. By overtly showing bias in favor of one candidate, Sinclair is abusing the public airwaves.

I want more local ownership of the airwaves and I want stations to be accountable to the public they should serve.

Thank you,
